Invitation

Dear sir/Madam

It gives us immense pleasure to invite you to participate in one day national seminar on "Current Trends In Novel Drug Delivery System" to be held on Tuesday 6th of February 2018 organized by SGSPS Institute of Pharmacy, Akola.

About Institute

SGSPS Institute of Pharmacy, Akola was established by Shri Gurudatta Shikshan Prasarak Sanstha's in year 1998, under the guidance of President Hon'ble Shri Gulabraoji Ramraoji Gawande & Director Shri Sangarbhayya Gawande and Shri Yuvrajbhayya Gawande.

The institute is in peaceful surrounding and salubrious climate at the bank of Holy river "Morna", spread in area of three Acres with all amenities. The institute provides pharmacy education at Diploma, Degree and Post graduate levels.

The institute is recognized by various Statutory bodies like PCI, AICTE, DTE, GOVT. OF MAHARASHTRA and affiliated to Sant Gadge Baba Amravati University, Amravati. The institute worked and developed with the aim of providing quality education and generating young pharmacist to meet the recent challenges in pharmacy profession on various fronts. Institute is having excellent academic track record with meritorious performance of

students every year. The institute is also involved in various research activities in collaboration with pharmaceutical industry. On the social front the institute conducts public awareness programmes, health checkup camps, tree plantation, and pharmacy orientation programme. As a student support activity the institute arrange Campus Interview for production and marketing areas.

About Seminar

The interest in Novel Drug Delivery System (NDDS) has increased due to advancement and availability various technologies to developed newer formulation and to transfer existing conventional drugs in novel dosage form. The objective of this one day National Seminar is to bring together academicians, industry person, and research student on one platform to enlighten on "Current Trends In Novel Drug Delivery System." This seminar will provide a forum to discuss the latest development in drug delivery and to excel their knowledge regarding the designing of novel drug delivery system.
